Mr. Farrell. Sample: "How do you tell a boy snake from a girl snake?" Answer: "Only the snakes involved know for sure."

Contrary to previous notions, the kids found the snakes dry, soft and pleasing to the touch and Mr. Farrell said they make good pets because they are little trouble. Throw them a big mouse once a week and that's it for feeding he said.

Cindy's snake found her hands the perfect nest and John's boa proved to be one of the more spectacular necklaces of the summer season.

Selectmen's Meeting

ANCHORAGE DISCUSSED

Ralph Eustis, chairman of the Harbor Study Committee, reviewed with Selectman John DeCosta the work of his committee to date. Mr. Eustis said that a designated anchorage area has been applied for and is now being processed by the U. S. Coast Guard. He said that it is little known, but fact, that the U. S. Corps of Engineers has the authority to grant mooring sites in Mattapoisett Harbor. In practice, he stated, the Corps exer-

cised that authority by allowing the local Harbormaster to set the moorings according to local plan. He said that his committee is well along on a mooring plan that could be ready sometime this summer and might be implemented next Spring. He said that various mooring problems will then be alleviated. Most important of those will be getting the moorings out of the channel, making sure moorings are of the size and weight to match the boats' requirements, tagging moorings and winter sticks to provide identification in case of drifting or to assure removal in the Spring for safety (winter sticks).

Eustis said that SRPEDD has offered to do survey work in connection with the oil spill program and his committee thinks it worth participating in. He said that SRPEDD wants \$300. for this or services in kind. Eustis suggested to Mr. DeCosta that the town provide services in kind in the way of a harbor survey to identify any potential problem in the oil spill category.

ROUTE 6 CHANGE MEETING

Selectman DeCosta announced that a public meeting will be held at Mattapoisett Town Hall at 8 p.m. on Monday, June 23, concerning the state intention to reline Route 6 into 2 travel lanes of 12 feet with 2 breakdown lanes of 10 feet. DeCosta said that in the Selectmen's meeting with State officials it was stated that the state has no money to resurface the road and must apply for federal funds and that this is the federal requirement. Mr. DeCosta said that at that meeting Marion appeared favorable to this plan. (Mattapoisett did not vote because Mr. Hubbard was not present.)

Letter to Selectmen

LETTER TO THE BOARD OF SELECTMEN

Gentlemen:

I write on behalf of the Pease's Point Im-
provement Association, whose members are
the 53 householders on Pease's Point at the
end of the Holly Woods Road. Several of our
members attended your recent hearing on the
proposal for a State Recreation Park at the
Earl Boardman property.

While we are as anxious as anyone to see
the property preserved in its natural condition,
we are not satisfied that the State's proposal
would have such a result. Once the property
is under State control, the Town of Matta-
poisett and the residents of the area can
never be sure that the originally expressed
intentions of the State will be carried out.
We are all well aware of the biennial mid-
night prorogation sessions of the Legis-
lation at which anything goes. Frankly,

the requirement of a two-thirds vote by that body is really no protection at all. Be mindful also that Governor King has recently asked for authority to dispose of "surplus" State property free of local zoning regulations.

We agree with those who think that there should be more study of this question, including Mrs. Hathaway's suggestion that the property be acquired by the Town for conservation purposes. There will apparently be similar federal and state funding available, and the Town, not the State, would have control. The Mattapoisett Land Trust might be willing to get involved, and neighbors in the area could help out both financially and in planning for the property's administration. Mrs. Boardman

would have the same chance for a tax break as she has with the State.

The State's proposal, even on the basis of the limited information presented at the hearing before the Selectmen, raises many serious questions. No one was apparently willing or able to furnish specific information about Mrs. Boardman's proposed covenant with the State. This is a key document and the Town would be unwise to encourage this project to go forward without examining it with great care. Among other things, this document should give the Town an enforceable right as an interested party to require compliance with all protective conditions and to veto any changes in the use of the property, or in the scope of the project.

We are also concerned about the parking facility, its location at the entrance to the Holly Woods community rather than at Aucott Road as would appear logical. The location of the parking lot suggests a camel's nose under the tent approach, perhaps contemplating enlargement of the project in the direction of Pease's Point and Point Connett. The encouragement of motor vehicles, including campers and trailers,

implicit in the existence of the paved parking lot, also concerns us. It is difficult to believe that such visitors would be congenial to the peace and tranquility of the present inhabitants, humans, white tail deer and others. We need no Horse-neck Beach in Mattapoisett.

All in all, we ask the Board of Selectmen to proceed cautiously with this project. We would appreciate it if our community could be represented on any study committee that might be formed, and we would be most appreciative if we could receive notice of any future hearings at which this proposal may be discussed.

Thank you very much.

Tennis Tournament

King Lion Gene Pursley has announced the seventh annual Mattapoisett Lions' Club Tennis Tournament. The committee is now accepting registration applications through Saturday, June 21st. (See application on Page 44.)

This annual tournament has become a favorite summer event for Mattapoisett residents 18 years and older. It has provided an opportunity to meet and compete with people of similar skills at various levels of competition.

This doubles event will again be divided into three groups: men's, women's, and mixed. Each group will have three levels of competition: advanced, intermediate and beginners.

Matches will be played from late June through August 7th. The semi-finals and finals will be held Saturday and Sunday, August 8th and 9th, at which time trophies will be awarded. The popular steak fry will be held the evening of Saturday, August 8th, and will feature a band and dancing.

The committee encourages you to fill out and return your application by June 21st so that you will not be left out. There were late entrants who could not be accommodated last year and the Lions' Club would prefer

not to have anyone disappointed.

See you on the courts!!!

\$8,000 towards your new home on \$50 a month!

Our Money Wheel will get you rolling.

Wouldn't you like to have enough money to buy your own home?

Well you can. Just come in and ask for a free Money Wheel and we'll show you how.

You'll see that even a small amount saved every month will soon mean a lot.

For example, deposit \$50 a month for 10 years and you'll have put in \$6,000. But the Money Wheel will show you that your savings, at 5½% interest, compounded continuously, will actually amount to \$8,051. Which means you'll have over \$2,000 in interest.

We think you'll find it incredible how quickly your money grows.

So come in and ask for your free Fairhaven Savings Money Wheel. Dial up your own dream. Then start making it come true.

The Money Wheel (Perpetual Money Wheel) is part of the Perpetual Money Plan program.

Some of the answers you get in seconds with your free Money Wheel.

Save each month.	No. of years.	You'll have on deposit.
\$100	5	\$ 6,936
\$ 50	10	\$ 8,051
\$ 75	10	\$12,077
\$100	10	\$16,102

Interest rate is 5½%. Compounded continuously.

annual Strawberry Festival at Shipyard Park. Shortcake will be served from 6:30 to 8 p.m.

Tickets for the Festival are now on sale at Seaport Pharmacy, Mattapoissett Pharmacy, and Romeo's Package Store, or by contacting Bruce Rocha at 758-3539. Fighting inflation, tickets will be the same price as last year, and advance purchase is advised to avoid disappointment.

A town Block Dance will be held on Water Street from 6:30 to 10:30 p.m. with music being provided by Art Perry's famous five-piece orchestra.

There is no charge for the dancing on Water Street, so come meet your friends, enjoy a shortcake and start off the summer season.

If rain should fall on the 20th both the festival and dance will be held at St. Anthony's Church Hall.

Flag Day

CEREMONY AT CENTER SCHOOL

Flag Day was observed Friday, June 13th, at the Mattapoisett Center School with a ceremony in the circular driveway. Selectman John DeCosta gave a patriotic message to the children, teachers and guests assembled around the flagpole. Musical selections were by the Old Hammondtown School Band, under the direction of Jarvis Medeiros. The band opened the ceremony with the Star Spangled Banner; Mrs. Catherine Haley led the Pledge of Allegiance to the Flag; the Center School children, directed by Phillip Spindola, sang America and You're a Grand Old Flag; a moment of silence was held for our Hostages; and Patriotic Readings were by third graders Justin Russell, Margaret Watjen and Marie Duff.

MARGARET WATJEN READS HER COMPOSITION ON FLAG DAY AND ITS SIGNIFICANCE AS MARIE DUFF AND JUSTIN RUSSELL (FOREGROUND) STAND BY TO READ THEIR COMPOSITIONS WHICH WERE CHOSEN FROM THIRD GRADE OF CENTER SCHOOL. PRINCIPAL KATHERINE KOZICKI, CENTER, LED THE PROGRAM.

SELECTMAN JOHN DECOSTA PARTICIPATES IN THE FLAG DAY PROGRAM AS HE READS A POEM OF PRAISE TO THE FLAG AND ITS MEANING. MR. DECOSTA TOLD THE CHILDREN THAT THEY ARE THE FUTURE LEADERS OF THE TOWN AND THE STREETS AND PROPERTY THAT THEY RESPECT AND KEEP CLEAN AS WELL AS THE FLAG THAT THEY HONOR ARE THEIRS TO INHERIT IN A VERY SHORT TIME.

"The following uses, if authorized by a special permit granted by the Board of Appeals pursuant to Section VII.B.2. of the Zoning By-Laws.",

or take any other action thereon.

BOARD OF SELECTMEN

REFER TO BOARD OF SELECTMEN

ARTICLE 10: ZONING: To see if the Town will vote to amend the Zoning By-Law, Section VII entitled "Administration", Sub-paragraph B. entitled "Board of Appeals" as follows:

1. By amending the Sub-paragraph B. entitled to read as follows: "B. Board of Appeals or other Permit Granting Authority."

2. To delete the last sentence of the first paragraph under Sub-paragraph B which now reads "The Board of Appeals shall have the following powers:" and substituting therefor the following: "The Board of Appeals or other permit granting authority shall have the following powers."

3. To strike Sub-paragraph B.2 entitled "Special Permits" and substitute the following:

"2. Special Permits. To grant in accordance with General Laws, Chapter 40A, Section 9 a special permit for an exception as provided by sections of this By-Law when it shall have found that the use involved is in harmony with the general purpose and intent of this By-Law and will not be detrimental to the established and future character of the neighborhood and Town and subject to appropriate conditions or safeguards as deemed necessary."

4. To insert in the first line of Sub-paragraph B.3 entitled "Variances" the following language: "In accordance with General Laws, Chapter 40A, Section 10" so that said first line reads in part as follows: "To authorize in accordance with General Laws, Chapter 40A, Section 10, upon appeal, or upon petition...."

or take any other action thereon.

Upon arrival at the school, students were broken up into groups and whisked into various specialty areas. Once there, each student received hands-on experience in his assigned specialty. This included such activities as making a cheese board in carpentry class, a plant holder in the welding area and stamped notepads in printing class. Students even cooked and ate fried chicken in Culinary Arts.

After the session, an enthusiastic group of sixth graders boarded the busses for the return to Mattapoisett convinced that Old Colony was where they wanted to go to high school.

Sixth grade teachers and students agree that the visit was a well organized and profitable experience for all and commend the Old Colony staff for their efforts.

"AMBULANCE SERVICE OF THE YEAR"

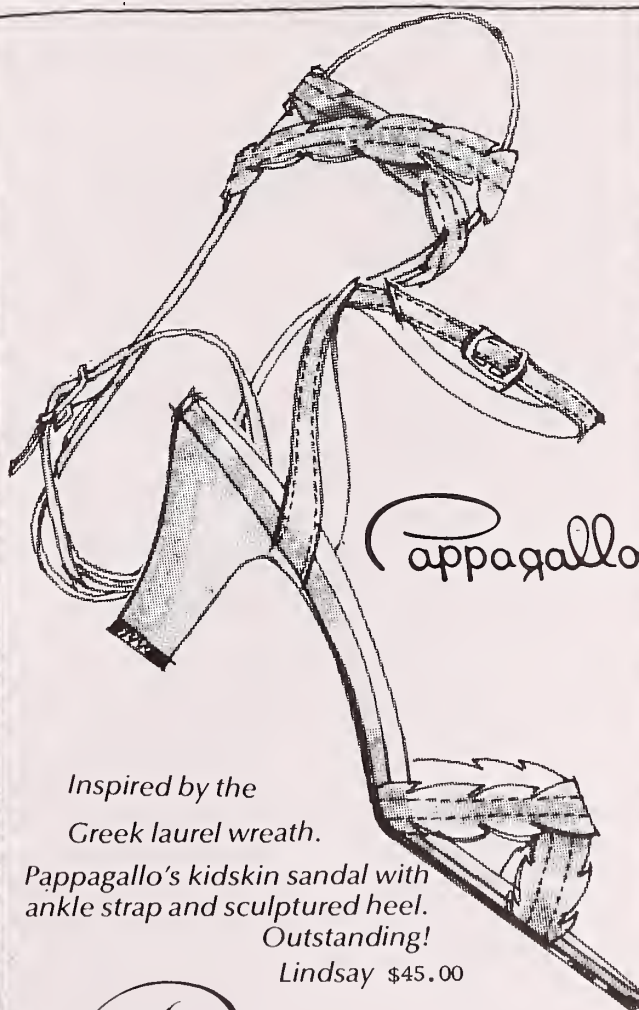

The Marion Emergency Medical Services has been named Ambulance Service of the Year by the Massachusetts Office of Emergency Medical Services. Chairman James S. Dougall will represent the ambulance service at the 1980 EMS Awards Night June 19 at the 57 Restaurant in Boston.

Governor Edward J. King will speak at the ceremony which will also honor other members of the Massachusetts emergency medical services system.

The Marion ambulance service earned praise for its active training program. In addition to training its own personnel, the squad offers training to all first responders on the police and fire departments.

The service was also praised for using 911 as an emergency access number. This number, currently used in only 66 out of 351 Massachusetts communities, can significantly enhance response time and is especially valuable for resort or tourist areas.

The Town of Marion is a member of the Cape and Islands Emergency Medical Services System. This organization main-

TRAFFIC SAFETY BOOKLETS
AVAILABLE AT POLICE STATION

Mattapoisett Police Chief M. Duane Tuttle urged parents of pre-school children to pick up a set of free traffic safety booklets at the Police Station.

These booklets were developed by the American Automobile Association as a Pre-School Children in Traffic safety program. They are available on a first-come first-served basis to all residents of Mattapoisett who have children under age 6.

The booklets are made available free of

charge by a federal grant obtained through the Governor's Highway Safety Bureau. They have been so popular that this is the third printing.

Since the program started in 1978, there has been consistent improvement in the pedestrian death and injury rates of children age 6 and under.

"This Pre-School Children in Traffic program is aimed primarily at parents," Chief Tuttle said. "It provides them with the teaching materials necessary to help their children develop safer habits."

The program consists of an attractively packaged set of five booklets. One is Parents' Guide for Action which explains why and how the entire teaching effort should be undertaken. The other four booklets are designed for parents to use with children.

The series uses simple language and drawings to illustrate the dangers and characteristics of streets and traffic. The books are to be used progressively. As children learn the lessons of one, they move on to the next.

Baseball Lessons

Instructional baseball will be held Saturday afternoons from 1:00 to 3:00 p.m. beginning June 21st at the Mattapoisett Center School. All youngsters age 7-9 are eligible to participate. This program will run for six consecutive Saturday afternoons.

SATURDAY PROGRAM - JUNE 21

For 5 year olds and up, the Children's Museum is taking a special field trip to Dave Hewitt's boat-building workshop in Mattapoissett. Wooden boats, large or small, have never lost their magnetic appeal for sheer grace and functioning beauty. A program on putting one together will be

given by Mr. Hewitt with a chance for us to see his boat in the works. Anyone interested in joining us for this very special program should call the Museum to register. Adults are most welcome. The number is to call 993-3361. A small admission is charged.

SUMMER 1980

Summer can be the time for an exciting learning experience for your child. While enjoying the outdoors, the child can expand his horizons by delving beneath the surface of his surrounding environment and learning the intricacies of the natural world. The Children's Museum is offering courses, workshops and programs throughout the months of July and August in the subjects of natural history and art for children of all ages from three to adult. Courses offered in Natural Science will be "A Close Look at Nature" (for 3 and 4 year olds), "Little Adventures in Nature" and "Seashore Creatures" (for 5 and 6 year olds). For the seven and up group, the Museum will offer "Marsh and Seashore Life", "Ponds, Streams, Rivers and Bogs", "Reptiles and Amphibians", "Insects and Spiders", "Local Wild Edibles and Wildflowers". And for adults: "Natural History for Parents and Teachers". Under art subjects we are offering: "Fingers to Brushes" (3 and

WAIVER OF MIAA RULES

Student athletes and their parents are advised that the Eligibility Review Board of the Massachusetts Interscholastic Athletic Association is scheduled to meet only on August 28, September 11, November 20, December 11, and March 19 in the coming school year. Students anticipating moving from one to another school, or who may have any cause to ask for a waiver of MIAA Rules relating to athletic eligibility should note that the Principal must submit any request for waiver 10 days before the meeting date. Experience suggests that preparing requests, a process involving usually both schools, parents,

"Displaced Homemakers"

What is a Displaced Homemaker?

Many women, who have depended on the income of another family member, are being thrust suddenly into a competitive work world because of loss of that income, in part or whole as the result of separation, divorce or the death or disability of that family member; or have depended upon government assistance as the parents of dependent children and are no longer eligible for such assistance. These women have been homemakers primarily, working in the family home. They are not gainfully employed and have had or would have difficulty in finding employment. These women are considered displaced

The YWCA in New Bedford has a new program designed to service displaced homemakers in the greater New Bedford area. The Center provides resources and support for Displaced Homemakers. It is a place for women to walk in and find help with many aspects of their lives. A training program is provided which includes: the physical and mental preparation of self for the job market, goal setting and job seeking skills, employment and apprenticeship referrals.

Some of the topics the counselors cover in the workshops are: the aging process in women, assertiveness training, appearance, health & hygiene, solving child care problems, resume writing, and dealing with stress. We try to provide workshops in any area women have interest and/or need.

The center is staffed by Lee Guilherme, Coordinator; Dorothy Beaumont, Arlene Cardoza, Carol Farrell, and Toya Gabeler, Counselors. We are open from 9:00 to 5:00 Monday through Friday. Any woman

who feels she could use our services or would simply like more information is welcome to come in for a visit or call us. We are located in Room 10, upstairs at the YWCA, 66 Spring Street, New Bedford. Our phone number is 999-3255 Ext. 13. We look forward to hearing from you.

Support Groups for Displaced Homemakers are planned. Call the D.H. office to register if interested. Dates and times will be announced, and free babysitting will be provided for that first meeting.

This is a joint project of CETA and the YWCA and as such is open to all women in the area.

Tobey Hospital

NEW DRUG-DISTRIBUTION SYSTEM

Tobey Hospital has recently improved its pharmacy services by implementing a unit dose drug distribution system. This system proposed by Tobey's Director of Pharmacy, Daniel F. Newberg, R.Ph., in conjunction with the medical staff and nursing services, is recognized by both the Joint Commission on Accreditation of Hospitals and the American Society of Hospital Pharmacists as the safest and most economical method of distributing drugs in health care facilities.

Under this unit dose system, each dose of medication ordered for a patient by the

physician is both prepared and labeled under the supervision of a registered pharmacist. This permits accurate identification of the drug up to the time of its administration by a professional nurse, thereby reducing the incidence of medication errors.

Other advantages of the system include more efficient usage of pharmacy and nursing personnel, a reduction of drug inventories in patient care areas, and better inventory control.

And for the patient, there is improved overall drug control and drug use monitoring; the drug potency and its stability are better maintained; and, finally, better cost effectiveness and more accurate patient billing for each patient's medications.

Tobey Hospital, in its forty years of caring for the community, once again has demonstrated its ability to provide the newest and the best in patient care.
